

Covid-19 Protocol Update:

Friends and Neighbors - Rockahockian!!!!,

Covid-19 is serious. Our President, Donald Trump and our Va. Governor, Ralph Northam have taken us from a 'strongly suggested' social distancing policy to a 'mandated' social distancing policy until June 10th, 2020, unless amended or rescinded by further executive order.

Our effort to comply with the President's and our Governor's directives will affect these actions:

1. Rockahock cannot accept any short-term reservations. Reservations before June 10th may be made for 15 days or longer. Any reservations longer than 15 days are welcome, including seasonal guest.
2. All public amenities have been closed to until further notice including the fishing piers, playground, jumping pillow, basketball courts etc.
3. Residents of the campground can still use the boat ramp. Non- residents cannot.
4. The laundry facility will remain open to residents exclusively. Only one person will be allowed in the facility at a time. We expect everyone to honor this directive. We will sanitize the room daily and will provide sanitizing products to be used by tenants to clean the machines after use.
5. Residents can still use the bathhouse at the Pavilion. Again we will sanitize this area daily.
6. All Bingo and scheduled events have been postponed until further notice.
7. The Front Desk will remain open via telecom communications until further notice. If you need anything please call 804-966-8362 or after hours 804-998-3730.
8. No gatherings of more than 10 people with social distancing of 6ft indoors and/or outside.
9. Mail packages will be left outside the doors of the front desk during business hours and brought inside after hours. If you need help getting your packages please contact us during business hours with request
